

The COPPER LODGE

Upon entering the foyer of the Copper Lodge and gazing into its massive great room with soaring log-framed windows capturing nature's view, it is obvious one has arrived at a special place. Once inside, prepare to be pampered by this home's many amenities, including a four-seasons room off a large master bedroom suite, a screened porch off the classic kitchen wing, a balcony off each second-floor bedroom, a two-level fireplace and a kitchenette for additional living quarters in the lower level.
