

The HUB

If you're an entertaining enthusiast, this home is for you. The cook's kitchen is flanked by a stylish dining bay and overlooks a spacious great room. The lower level has a built-in bar, rec room and cover ideal for a hot tub or game table. Four bedrooms, secluded from the common areas, allow folks to retire to peace and quiet as the night winds down.

Rooms:	Square Footage:
4 Bedrooms	1,791 First Floor
